## PEOPLE TOO FAIR TO DISCARD WILSON, SAYS GARFIELD

**Oldest Son of Martyred Republican President, Himself  
a Life-Long Republican, Tells Why He Will  
Vote for Wilson.**

BY HARRY B. HUNT

Williamstown, Mass., Oct. 25.—

Son of a martyred Republican president and fully mindful both of the teachings and the ties that should bind him to the party that placed his father in the white house, Harry A. Garfield, son of ex-President James A. Garfield, will cast his vote Nov. 7 for the Democratic nominee for president—Woodrow Wilson.

Garfield will not vote as a Democrat. Neither will he vote as a Re-

publican. He will vote simply as a patriotic American who believes that the future welfare not only of this nation but of the whole civilized world demands that, in the present crisis, America keep at the helm of her government a captain who has steered the course, who, despite the fiercest cross-currents of world politics ever known, has kept his craft safely in mid-channel and off the rocks of war that threatened on every side.
